General Information

- Students enrolled in 15 units (B.A. program) or 10 units (Master & Ph.D. programs) per quarter are considered full time.
- Most classes are offered once a year. Please note class prerequisites and register accordingly. If you have any questions, please schedule an appointment with the Dean of Academic Affairs.
- Courses having an enrollment of three or fewer students may be taught as tutorials. Students will be notified. Please update your address and phone number with the Registrar so you can be advised of changes.
- Students planning on registering for a tutorial must have the Tutorial Study Plan approved prior to beginning work on the tutorial. Tutorial packets may be obtained from the Administrative Office.
- To add/drop classes students must fill out the appropriate form, which can be found on the SDUIS website or at the registrar's office, sign and submit to the registrar's office. Requests to add and drop a class will only be accepted if submitted using the appropriate SDUIS form, including payment of the add or drop fees, and signed by the student. No drops will be processed if received by telephone. No add or drops will be processed without payment of the appropriate fees.

A Note to Extension Students

Most courses listed in the schedule are open to extension students, assuming prerequisite requirements have been met. Up to three courses and fees paid for credit may be applied to degree programs by extension students who later enroll (as long as courses taken apply to the degree program). Enrolled students are given first priority in size-limited classes. Extension students interested in taking courses for credit should contact the Registrar for enrollment information. Payment is due at the time of registration. The cost to audit a course is \$600. No credit is given for classes taken as an audit.
